

Unsafe at Any G!

Antenna farm capable of spraying 530,000+ Watts of Effective Radiated Power, 24/7

1. Help preserve the Quiet Enjoyment of Streets by **opposing this massive antenna farm** that Verizon proposes to build right in the middle of our residential neighborhood!
2. Go to **UnsafeAtAnyG.com/Petaluma** to learn more and fill out our sign-up form
3. Stop the **Safety, Privacy and Property Value Harms** that this antenna farm on the Petaluma Creamery would bring; let's band together to defend our families and homes.
